Quality Models and Promotional Products for the Airline

Who We Are

AeroPro is a model and promotional product company focused on the aviation and airline industry owned and operated by a team of aviation enthusiasts who have years of experience in the field. We provide promotional items and high quality products that allow international companies to expand their presence in the marketplace. Our customers include Continental Airlines, ABX Air, ExpressJet, Dragonair, Cathay Pacific and many other corporations that demand quality on all levels.

The AeroPro Difference

With so many sources for promotional items it is hard to find a source that will focus on your business sector. This is where AeroPro is ahead of the competition, instead of offering items that span across many areas AeroPro focuses on one, the Aviation Industry. Quality, customer satisfaction and honest communication is at the core of our business. And with AeroPro there are no contracts required, your company can buy what they need, when they need it!

Who We Sell To

Airlines, large corporations, outsourcing suppliers, model companies, and collectors are welcome! Proof of ownership or the license to reproduce the airline's livery, trademarks, designs and color must be presented.

Our Order Process

Our goal is to assist our clients in reducing their overall cost while at the same time providing them with products that accurately represent their business and image. We offer low setup fees, no extra or hidden charges for color matching or samples, unlimited artwork revisions, pre-production samples of all products, and most importantly, quality products.

Our Aircraft Models

We focus on providing our customers with models that ensure corporate growth and recognition. AeroPro is unique in that it can deliver a variety of scales manufactured from many materials. We provide all popular makes of Boeing, Airbus, Embraer, ATR and more.

- **Scale:** 1:50, 1:72, 1:100, 1:44, 1:200, 1:400, 1:500 and Custom
- **Material:** Resin, Fiberglass, Injection Molded Plastic, Die-cast Metal
- **Order Quantity:** Start as low as 30 pieces
- **Lead Time:** Approximately 30 days after artwork approval

Our Aircraft Products

We also supply exciting promotional items related to the airline industry. These products are marketed under the name "Aero le Plane". We have developed plush toys, lanyards, magnets, keychains, temporary tattoos and more! We welcome custom design ideas and can work with you to meet your promotional needs.

Custom Orders Always Accepted

We welcome custom orders for all of our products. Modification, such as adding or removing features, may be integrated into your personal design. If you have a product idea or need that you don't see here please contact us!

Our quality merchandise & competitive prices have earned the trust and continuing support of our clients. We hope you will give us the chance to help enhance and expand your business or hobby.

Happy Contrails!
